

**Online Back Office Support Now Available from Kustom Signals®, Inc.**

LENEXA, KANSAS—Kustom Signals is now offering online technical support for back office (DEMM) programs used in conjunction with the Digital Eyewitness® family of in-car video equipment.

Utilizing GoToAssist® remote-support software, service technicians at Kustom can securely connect with a customer's DEMM (Digital Eyewitness Media Manager) to diagnose, troubleshoot and resolve technical issues quickly and efficiently over the internet.

This online access will also allow customers to receive personalized training and quick software updates to their Back Office System.

Established in 1965, Kustom Signals Inc., a Public Safety Equipment Company, designs and manufactures a complete line of speed enforcement, speed awareness and in-car video systems for law enforcement agencies.
