

014-1068-00 Installation Instructions

Desktop Events Utility

1. Unzip the installation file into a folder, 'Pro4EventsUtility' or something similar.
2. Double click the 'Setup.exe' program. You may need to click a few buttons to get the installation to proceed.
3. The program will come up.
4. To add a desktop shortcut, locate the program in the Start Menu and drag it onto the desktop.
