

ARGUS BWC

RUGGED DURABILITY

- Rated IP67 for complete protection from dust and water ingress
- Built for US Military Standard 810G for shock, vibration, and impact
- Four microphones to allow for noise cancellation and clear audio

POWERED BY AI

- Artificial Intelligence powered voice activation: activate Argus BWC with preconfigured phrases for hands free operation
- Event detection based on events such as running, and hard falls.
- With 4G LTE connectivity, alerts can be sent to command staff to notify them of trouble and allow them to livestream

HOT SWAPPABLE BATTERY

- Removable large lithium ion battery that allows for up to 12 hours of recording
- Argus continues recording even while swapping the battery

ARGUS BWC

SPECIFICATIONS

- 4G LTE Capable
